| <p><b>CIRCLE DANCE</b><br/>This piece is a reflection on lyrics from the English folk song, 'A Rosebud in June'. Flowing arpeggios and melody conjure up images of round dancing in olden times. A special feature and requirement of the piece is the use of a SpiderCapo however a possible alternative involving more readily available types of standard capo is offered in the music preface.</p>   | <p><b>Catalogue#</b> BNP SM 020<br/><b>Price</b> \$28.00</p>   |
| <p><b>FINCHDEAN - ADVANCED</b><br/>Inspired by English countryside and a 14th century chapel, this composition for solo guitar has proven to be Bruce Paine's most popular work. The music is offered here with a bonus score, a simplified alternative version that uses triplet figures instead of the cross-string tremolo. Still a challenging piece in its own right but allowing advanced players some respite from possible right hand tension. Note that this edition of the full Finchdean version includes a few small but effective changes to the original. Requires a capo on the 3rd fret.</p> | <p><b>Catalogue#</b> BNP SM 003<br/><b>Price</b> \$25.00</p>   |
| <p><b>FINCHDEAN - INTERMEDIATE</b><br/>Based on Finchdean but with roughly half the number of bars and 1419 fewer notes, this is an appealing piece that retains much of the character of the original. As a point of reference, it is just a bit easier than Leo Brouwer's Estudio Sencillos number 6. Suggested informal titles for the piece include 'Cinch-dean', 'Chaffinch-dean' (chaffinch is a small finch), 'Finch-vicar' (a vicar is lower in rank than a dean), 'Finched-dean' (stolen from the original!) and Finch(not so)mean (lean and mean?!) Requires a capo on the 3rd fret.</p>           | <p><b>Catalogue#</b> BNP SM 022<br/><b>Price</b> \$20.00</p>   |
| <p><b>NEW ZEALAND SUITE FOR GUITAR</b><br/>This is Bruce Paine's first guitar solo composition which was inspired by images of New Zealand South Island landscape, including mountain streams, the tranquil Lake Rotoiti and a lakeside bird sanctuary. The suite is in three sections; 'Mountain Cascade', 'Rotoiti Twilight' and 'The Forest Awakens'. Please note, the first and last sections require a high degree of technical skill in order to give a convincing performance. For classical guitar with standard tuning.</p>   | <p><b>Catalogue#</b> BNP SM 022<br/><b>Price</b> \$28.00</p>   |
| <p><b>SEA SHANTY</b><br/>This piece for solo guitar can be heard on the Alberton DVD soundtrack. It is a tribute to the founder of Alberton, Allan Kerr Taylor, and the epic sea voyages of his youth.</p>   | <p><b>Catalogue#</b> BNP SM 006<br/><b>Price</b> \$25.00</p>   |
| <p><b>SERINGAPATAM</b><br/>This composition for solo classical guitar, in G tuning, is a musical tribute to Seringapatam, a town in the Mandya district of the Indian state of Karnataka and place of great religious, cultural and historic significance.</p>   | <p><b>Catalogue#</b> BNP SM 008<br/><b>Price</b> \$20.00</p>   |
| <p><b>ALBERTON WALTZ</b><br/>This piece for solo guitar can be heard on the Alberton DVD soundtrack. It is a tribute to the balls that took place at Alberton in the late 1800s and was inspired by the beautifully sewn dresses swirling with the dignity of practised turns, servants working quietly in the background, musicians in their appointed corner elegantly disguised by well placed decor, and refined social discourse that were all features of such occasions.</p>  | <p><b>Catalogue#</b> BNP SM 012<br/><b>Price</b> \$20.00</p>   |
| <p><b>ANNIE LAURIE VARIATIONS FOR GUITAR DUET</b><br/>This is a guitar duet setting of the famous and much loved Scottish ballad Annie Laurie. It is based on a set of piano variations by Irish born composer William Vincent Wallace (1812 - 1865). This guitar duet arrangement closely follows the format of the original but with new ideas and changes that were necessary to suit the voice of the guitar. This heart warming piece is featured on Bruce Paine's DVD on the Auckland historic house Alberton and forms part of a special tribute to the music loving Kerr Taylor family.</p>          | <p><b>Catalogue#</b> BNP SM 009<br/><b>Price</b> \$30.00 for score booklet with parts printed on separate, loose A4 sheets..</p> |

*All scores are in A4 booklet format, pages stapled with covers of matt-white card. For spiral bound copies please add \$10.*
